Welcome to Latex Bedding Co

Sleep is natural. So is Latex. Made from the sap of the rubber tree this remarkable substance keeps you healthy while it holds your body gently as you ease into dreamland.

On two separate continents, David Nugent and Cliff Walter became obsessed with the search for the perfect sleep instrument. They recently combined their considerable knowledge and experience to convert discerning sleepers across Australia to the ultimate sleep experience... Read more [About Us](#)

“ My new bed is the best ever. It is incredible. It makes a difference. My back is better..no pain and I have energy to go back to work, I do hard work with heavy lifting. My chiropractor noticed a difference. It is easier to make adjustments.
